[Love in Bloom Sub Series Checklist](#)

Dear Readers,

This is a reader guide outlining my current series and their reading order as of July 2019.

The Love in Bloom big family romance collection is an umbrella over several subseries. Characters from each subseries appear in future Love in Bloom books. All Love in Bloom books may be enjoyed as stand-alone novels, or as part of the series.

I hope you find the following series checklist helpful.

For the most enjoyable reader experience, purchase the essential [LOVE IN BLOOM SERIES GUIDE](#), available in [black and white](#) or [color](#) in paperback, or for [Kindle](#). I highly suggest purchasing the paperback edition for ease of note taking. The Series Guide includes a family tree, covers, summaries, character images (heroes and heroines), and pertinent character data, as well as areas for readers to take notes on family and character growth (engagements, marriages, births, pets, etc.) for more than thirty titles. However, since I publish books on a near-monthly basis, it does not include the entire Love in Bloom series.
