- Love in Bloom Subseries Reading Order (Free with Kindle Unlimited noted)
- Love in Bloom Subseries Genre Reading Order
- Love in Bloom Title List in Series Order
- Love in Bloom Sub Series Checklist

Free family trees, a map of Silver Island, and other reader goodies can be found on my Reader Goodies page.

The Love in Bloom big-family romance collection is an umbrella over several subseries. Characters from each subseries appear in future Love in Bloom books. All Love in Bloom books may be enjoyed as standalone novels, or as part of the larger series.

For the most enjoyable reader experience, purchase the essential [LOVE IN BLOOM SERIES GUIDE](#), available in [black and white](#) or [color](#) in paperback, or for [Kindle](#). I suggest purchasing the paperback edition for ease of note taking. The Series Guide includes a family tree, covers, summaries, character images (heroes and heroines), and pertinent character data, as well as areas for readers to take notes on family and character growth (engagements, marriages, births, pets, etc.) for more than thirty titles. However, since I publish often, it does not include the entire Love in Bloom series.
