Dear Readers,

This is a reader guide outlining my current series and their reading order as of March 2024 and includes:

- Love in Bloom Subseries Reading Order
- Love in Bloom Subseries Genre
- Love in Bloom Subseries Checklist

Free family trees, a map of Silver Island, and other reader goodies can be found on my Reader Goodies page. https://shop.melissafoster.com/reader-goodies

The Love in Bloom big-family romance collection is an umbrella over several subseries. Characters from each subseries appear in future Love in Bloom books. All Love in Bloom books may be enjoyed as standalone novels, or as part of the larger series.

If you are going to start with the first book that was published in the Love in Bloom collection, I suggest purchasing the essential LOVE IN BLOOM SERIES GUIDE, available in paperback in black and white or color and available for Kindle. I suggest purchasing the paperback edition for ease of note taking. The Series Guide includes a family tree, covers, summaries, character images (heroes and heroines), and pertinent character data, as well as areas for readers to take notes on family and character growth (engagements, marriages, births, pets, etc.) for more than thirty titles. Since I publish often, it does not include the entire Love in Bloom series, but it will give you a good foundation for your note taking.

Please note: The Harborside Nights series should be read before The Steeles at Silver Island for continuity. However, since the series focuses on slightly younger adults, has LGBTQ characters, and is written in first-person POV, it is listed separately. The first book is a M/F romance, the second is F/F, and the third is M/M.

## Love in Bloom Subseries Genre

Please note: All of the Love in Bloom series feature big-families and/or friend groups, and some series feature both big-city and small-town stories, billionaires, cowboys, and blue-collar heroes.
